I Heart Central Oregon is coming to your city
September 25th, 2010

Imagine around 4,000 volunteers, on one day, putting love into action in 15 Central Oregon cities – painting, landscaping, collecting food, assisting seniors, and in many other ways beautifying and enhancing our region. On September 25th come and join many other volunteers in your city during I Heart Central Oregon. Simply register online at theheartcampaign.com

That evening, the day of community service will culminate with a celebration at the Hooker Creek Event center in Redmond that will include a concert with musical guest **Elliot**, internationally acclaimed inspirational speaker **Nick Vujicic** and a multimedia showcase from each city.
